Note: The Family Resource Center is on the corner of Liberty and Capitol. There are two buildings, one is on the corner and the 2nd building is next to it. We are in this second building, in Suite E. As you look at the two buildings there is a trellis/walkway that goes across the parking lot between the two buildings. Enter our building from this walkway – we will be the building on the left. Once you get in our building we will be the first waiting room on the left.

Continue on Paseo Padre to Capitol Ave (just after Mowry) and turn right. Take the first left onto Liberty Street and then the first parking lot entrance on the right.
